Re: *USA v Charles Berard*, 22 MJ 4169

Your Honor:

I write to ask that this Court modify certain conditions of release. As you may recall, Mr. Berard has been released on an unsecured bond, co-signed by three financially responsible persons. The bond specifies that Mr. Berard is on home detention, and that his travel is limited to the District of Massachusetts (where he resides), the SDNY, and the EDNY.

At the suggestion of pre-trial services, we ask for the following modifications:

- (1) travel be extended to include the District of Connecticut; and that
- (2) pretrial be given discretion to approve travel for “family activities.”

The purpose of the first modification is to allow more opportunities for employment. The purpose of the second modification is to enable pretrial to approve particular family-related activities without the necessity of repeatedly seeking approval from this Court.

The government takes no position with respect to these modifications. As already noted, the pretrial office consents to these changes.

Respectfully submitted,

/s/
James E. Neuman
